

DECLARATION OF IMPARTIALITY

As TMGD Denetim A.Ş., we carry out our validation and verification activities in compliance with national and international standards. In accordance with clause 5.3.5 of the DIN EN ISO/IEC 17029:2019 standard, our organization publicly declares the top management's commitment to impartiality and independence.

As top management, we hereby undertake that:

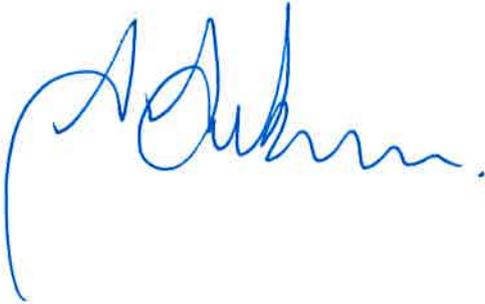

1. Validation and verification activities will be conducted in an impartial, independent, and transparent manner,
2. Our activities will not be influenced by any commercial, financial, administrative, or other external pressures,
3. All our personnel are obliged to prevent conflicts of interest and to uphold the principle of impartiality,
4. Any validation and verification decisions will be based solely on objective evidence and the requirements of the standards,
5. Risks to impartiality will be continuously monitored, assessed, and the necessary preventive measures will be taken.

This declaration is publicly announced within the framework of our organization's principles of impartiality, independence, transparency, and reliability.

Sincerely,

Arda Akın
